The Max Gruver Foundation is fighting to raise awareness and educate young people to understand the importance of looking out for each other, stepping up when a situation appears to be getting out of control, and bring an end to hazing.

Max Gruver died due to alcohol hazing in his fraternity on Sept. 14, 2017. He was a graduate of Blessed Trinity Catholic High School and a well respected young adult of the Roswell community. Help us put an end to hazing!
